

2018 MALSC Memorial Scholarships

The **MALSC** (Massachusetts Association of Land Surveyors and Civil Engineers) **Education Trust** provides scholarships to Massachusetts residents enrolled in an accredited undergraduate land surveying, civil engineering or environmental engineering programs. Students may attend school in Massachusetts or another state. The Trust has six Trustees who are appointed by each of the five MALSC chapters and by the statewide MALSC Board of Directors.

Completed applications are due October 31, 2017. The MALSC Education Trust may select one or more applicants to receive scholarships per year and currently plans to award one or two scholarships in 2018. The Trustees will determine the number of scholarships and the amounts by December 31, 2017. Typically 2-3 scholarships are awarded each year, with varying denominations of \$500, \$1000 or \$2000 each. The MALSC Education Trust Chair will contact winning applicants.
